

MEMO to the OFFICIAL BOARD:

This is to advise the Official Board that since Pastor Bartlett feels that the vacancy in the office should be filled by someone who will not have to be paid a salary, I want to withdraw my suggestion of contacting Sister Carol Halter to fill the position for one day, Friday.

Action, of course, rests with the Board as the motion on the books is to have Sister Carol contacted.

I feel, too, that we can work with the one chosen. With reference to Bruce Grigsby, Bruce has always been a real help to the church and has done many things behind the scenes for Highway. I felt in due respect to the Pastor, that I must make this position clear.

Respectfully submitted,

Ruth C. Muir
