#### Old Business

The purchasing of the stove is temporarily held up because of the financial situation.

Discussion was held concerning the Korean group worshipping with us - i.e., the matter of keys given, their contract, etc.

The first College Fellowship meeting was held on the 5th; there were 16 collegians present. Dr. Ashcroft was the speaker.

Last Thursday at the first Fall Luncheon for College and Career, there were nine students present.

A dinner will be held on Wednesday, the 31st, which will take the place of the November College Fellowship; speakers will be the Steelbergs. This will precede the evening service.

Brother Clayton Sheridan (Dist. Stewardship Dir.) reported that there has been \$60,000 endowed to the church thru the Estate planning (amount may go up or down, etc.)

#### New Business

The Healing Service with the Steelbergs; they will be housed from Saturday, the 27th, until Thursday morning, November 1, in the EconoLodge. There will be a love offering taken in each service to total at least \$300. If more than \$300 comes in, this will be given to the Steelbergs.

The rental of a car will be looked into - to take him to Toms River, NJ for his previous commitment, and at the expense of the Toms River church. It was decided that he would not need a car for city driving since it is more convenient to use bus transportation to the city. The Steelbergs will be provided transportation to and from services.
