

ELDER, DEACON and DEACONESS REPORT for 1984

As with the Apostle Paul, we can say we are the servants of the Lord Jesus Christ, rendering service and ministering to our brothers and sisters in the Lord as the need arises.

Our constant prayer is that we will always do our Heavenly Father's bidding and be like our Master, deeply caring, loving, and helping those who are in need spiritually, physically, or otherwise.

During the past year numerous telephone calls and visits were made to the shut-ins, and those in hospitals, nursing or retirement homes. Also, communion was served to some who are unable to attend church services. In addition, we have been responsible for and participated in the preparation and serving of the communion elements at church, as well as assisting candidates for water baptism, etc.

At Christmas time we obtained and distributed plants to shut-ins, as well as provided money in lieu of food baskets to those in need.

We are glad for the many opportunities afforded us to serve the Lord in various ways, knowing that Jesus Himself said in Matthew 25:40 - "Inasmuch as ye have done it unto one of the least of these My brethren, ye have done it unto Me."

Respectfully submitted,

ELDER, DEACON and DEACONESS
