

I have to make this decision but I can not
go on with a whole heart. I feel that

what is worth doing is worth doing well.

I appreciate deeply the splendid support
of you and your dear Wife and will
not cease to pray for your continued
success as pastor of the church which I
have learned to love so well.

Please do not ask me to reconsider
this decision as my mind has been
definitely made up.

Thanking you for your many
kindnesses I am,

Yours in Christ,

Wm. Elizabeth V. Benckert
