Pastor Wesley R. Steelberg presided.

The meeting was opened with prayer by the Pastor.

The Pastor informed the Board that he had called this meeting after the annual meeting in order that the Official Board might get together as a whole.

He gave the Board a little heart-to-heart talk, as the Pastor, in which he spoke of the responsibility of each individual member of the Board, the necessity of unity and harmony, and particularly an earnest prayer life, as well as warning us of the forces of the enemy in our midst endeavoring to destroy faith, confidence, and cause division among us, stating that in this new year he felt we were very close to the coming of the Lord and if the entire Church ever needed to be at its best for God it is now.

Quite a discussion followed, participated in by Brothers Herbert McKittrick, Alfred Green, W. R. Steelberg, Charles Krause, Edgar Overstreet, Robert Strang, Earl Wilson, Joe McKittrick, Charles Spain and Brother Homer Bell, with regard to the secret ballot that was cast at the last annual business meeting by Sister Caroline Haines.

It seemed to be the concensus of opinion that nothing should be done hastily, and on motion of Brother Overstreet that we adjourn and take the matter definitely to God in prayer before anything is done, which was duly seconded, the meeting adjourned with prayer.

Respectfully submitted

*Clara M. Payne* Church Clerk
