

disappointment the children had a letter from their parents telling them that Springfield had consulted Highway + that they stay another year. Well we were heart broken, as soon as I got over the shock. I went to the Pastor. He told me he did all in his power making it plain that the Shires were due their furlough + that + official board + himself were very much disappointed (w may of as it was the official board disappointed when they had in their power as a governing unit of the church to say yes or no. The pastor also told me. I was the first one to give him the information that Mr + Mrs Weston + family were on the field and there are also the two girls Miss B. Bulchwater + Miss. Blossom. We still are in a daze why ~~X~~ they were not permitted
