

## OFFICIAL BOARD

### HIGHWAY MISSION TABERNACLE

---

A meeting of the Official Board was called by the Pastor on September 26, 1943, immediately after the morning service.

The Pastor presided.

The matter of the Orchestra was again presented, and as Brother Ashley Collis' had sold his horn, it was suggested that Brother Bragg look into the matter of the kind of an instrument needed, and take up the question of the price with the Board of Trustees.

The need of a nursery was presented, and after some discussion a motion was made by Brother Frank Simokat that the Church try out this venture with the purchase of four beds, or according to the present need of the congregation, and have their action ratified by the Church at the next business meeting.

Brother Bragg suggested that a mixed Bible Class should be created in order to take care of new members, and those coming in who desired to be together, but it was not meant to interfere with either the Ladies' Adult Bible Class or the Men's Adult Bible Class.

Motion made by Brother Hollahan, seconded by Brother Walter Hepworth, and carried, that the Adult Mixed Bible Class be created, with Brother Bragg as Teacher.

On motion the meeting adjourned

Respectfully submitted

*Clara M. Payne*
