

Minutes of the Official Board meeting held immediately after the morning service on Sunday, January 29, 1950.

Pastor Wallace S. Bragg, presided.

The meeting opened with prayer.

The Pastor stated that he had called the meeting in order to get the opinion of the Board as to the character of the Installation Service to be held on Sunday, February 12, 1950.

After some discussion, it was moved, seconded and carried that a Committee be formed to take care of the details of the matter. The Pastor chose Bro. Albert Clarke, Brother Ray Geist, Brother W. Hollahan and Sister Griffin to sit with him on the Committee.

The Pastor stated also that now, the Shirers having been dropped as Missionaries of Highway, Brother Noel Perkin had written asking whether Highway would want to support two Nurses who are going to Africa to open up a new work, (single women), or whether they would prefer to support someone whom the Assemblies might send out to the Gold Coast in place of the Shirers.

After discussion, it was moved, seconded and carried that we accept the recommendation of the Missionary Secretary and accept the two Nurses who are to open up a new work.

There being no further business, the meeting adjourned.

Respectfully submitted

Church Clerk
