Greetings from REVIVALTIME, Betty.

We're looking forward to the crusade which is scheduled for Highway Tabernacle the latter part of this month.

You have been selected as program chairman, as you know. We will be counting on your assistance in planning the special music of the various services. It would be well if various churches could be represented during the different services. I would suggest that you schedule one church for each of the services Tuesday through Friday.

We will not have our REVIVALTIME soloist with us. We will be counting on music from the area for all of the services. Brother McLellan will join us on Thursday, and of course will be able to play a time or two towards the weekend.

You will also want to provide accompanists for the services and determine song leaders. I would suggest you confer with your father regarding who should serve in this area. You will want to make these selections in advance and alert these friends to be on hand and to be prepared. I will want to be in touch with you just as soon as I arrive to receive this information so that we can fill out our plans and follow through with the crusade series.

We will appreciate your help in the crusade in this way, Betty. If there is anything I can do to assist you in your planning in advance of my arrival, I'll be pleased to do so. Just drop me a line.

Yours in the Master's service,

NATIONAL RADIO DEPARTMENT

P. S. Your father's letter of the 25th just came to my attention after returning from Florida; I see that some of the suggestions above have already been carried through. Good work.
