Dear Brother and Sister Bogdan:

Warmest greetings in the Precious Name of Jesus!

Thank you for the kind invitation to be a part of the great 95th Anniversary celebration at Highway Tabernacle on Thanksgiving day.

I regret to inform you, however, that it will be impossible for Karen and me to attend. Our second daughter, Sheri, will be getting married the following Saturday, November 25th here in Waco.

We want you to know, though, that I remember my days in that great church fondly as I was the Administrator of the hospital there in Philadelphia. God taught me all about praise and worship during the short time I was there, and I grew tremendously in the Lord during that brief stay in Philadelphia and at Highway Tabernacle.

May the Lord continue to bless you as you lead this great church onward.

In His Wonderful Service,

George & Karen Livingston
