THANK GOD FOR AMERICA

Thank God for America

The Land of liberty;

Thank God for her people,

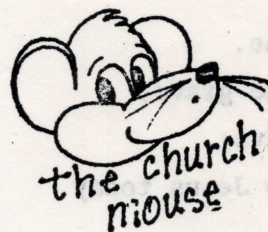

The strong, the brave, the free!

Dear God, save America,

For her we intercede;

Dear God, make America

A Christian land indeed!

The Church

Mouse just

didn't know

WHAT to

think, seeing

boys

and

girls

in his church EVERY night.

He will just have to get used to our
singing!
