

# Highway Tabernacle Church Mouse Squeaks!

## Vesper Vacation Bible School

Thursday, July 15

As the Church Mouse made his rounds last night, he came up with these observations ..

When he looked in on the BEGINNERS, he saw them eating delicious cookies baked by Korina Crain's mother ... He also saw them playing a new game, Simon Says ... He heard them studying the names of the apostles ... He saw the happy, smiling face of little Stephan Pasymowski.

A peak in the PRIMARY department found Vippy Yee learning all three memory verses even though she had just come ... Christina Strok has the theme song memorized already ... Nicole Myers made a fish puppet and printed on it, I love Jesus, I love my mom and my dad ... and the Church Mouse sure enjoyed the singing of the Primaries in the closing worship! ...

In CRAFTS, Becky Puhr is making her bird-house very carefully. She wants to do

a good job because she will give it to a very special person ... her daddy! Sh-h-h-h ... don't tell!

MIDDLERS, the Church Mouse could see, had increased by five last night. Maria Reyes had to baby-sit ... so she brought the baby to VVBS.

Bumper stickers were made by the YOUTH class and this is what some of them said:

"Let not your heart be troubled; ye believe in God, believe also in Me."

"Searching for a Friend? Jesus is the way, the truth and the life, and a Friend."

"Jesus Loves Everyone."

"Receive Your Place in Heaven."

"In my Father's house are many mansions"

"I Will Come again."

Madeline Astacia received a plant from teacher, Jerry Nendel, for bringing the most visitors ....
