

RESIGNATION NOTICE!

After pastoring at the TAYLORSVILLE church for seven years, we have resigned and will bring our last message there on Christmas Day.

We have surely enjoyed the splendid co-operation the church has afforded us and the sweet Fellowship the District as a whole has bestowed on us.

With sincere appreciation also, we want to thank all of you fine people who have solicited us for a revival meeting. We want to come to you feeling it is the perfect will of God. We'll be trusting God will work with us through the Word and the Holy Ghost--that we may see many souls won for the Kingdom.

If you wish to contact us after Dec. 25, you may continue to use our present Taylorsville address as we will maintain it until further notice.

--George P. Sutherland

NOTE: Taylorsville and the Louisville Section will feel a great loss as Brother Sutherland leaves that area. If the Lord should lead him from the District, we will all count it a major loss. Brother Sutherland has served in many capacities, prominent among his duties was that of Presbyter, Camp Committee, and former S. S. District Director.

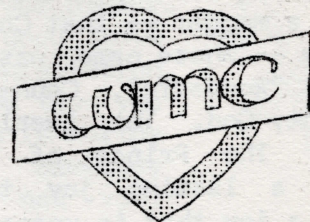

The DOEPKE FAMILY of BELLEVUE reports a fine revival during the past few weeks with REV. and MRS. JOHN HIGGINBOTHAM of Cleveland, O. These are consecrated ministers whom God is using in a special way. There has been much victory in these services.

The new church building at NICHOLASVILLE was dedicated at a fellowship mtg. on November 14. Brother COLE was the afternoon speaker and BROTHER HINECKER brought the evening message. Congradulations to the good folks at Nicholasville and their pastors, SISTERS HENNING & HUDSON.

BROTHER and SISTER KLINGNER, of COVINGTON, request prayer for the work there. Many discouragements have come their way but they are determined to continue faithfully ministering the Word in that city.

Greetings

from all the
Officers of District

WOMEN'S MISSIONARY COUNCIL
