

is the time, effort and labor that will bring men and women into the presence of the "Prince of Peace". He who spoke peace to the angry waves is surely able to give peace to the hearts of men. This can happen only if we are faithful to preach and teach the Gospel of Peace to a world that knows no peace. May this Gospel light shine in this sin-darkened State until it can be said of its people: "The people that walked in darkness have seen a great light: they that dwell in the land of the shadow of death, upon them hath the light shined".

If God will but grant the desire of my heart, my earnest prayer is that we might have a revival that will cause this glorious Gospel to shine in the darkness, that men and women that sit in the shadow of death might see a great light. We must work while it is yet day, "the night cometh when no man can work".

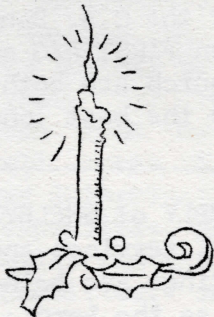

I want to extend my BEST WISHES to every pastor, worker and to every church for a MERRY CHRISTMAS and a HAPPY, PROSPEROUS NEW YEAR.

If Jesus should tarry, may God shine upon your labors and bless your efforts as never before.

In the month of November we have travelled 3076 miles, held 49 personal conferences, preached 14 times, attended 6 services, visited in 12 churches, mailed out 40 pieces of mail, held three business meetings, took part in 3 fellowship meetings, had 1 dedication, attended C.A. Convention, had 24 souls at the altar, worked one day at camp and several days in the office.

May God bless you all real good. Please pray for us.

Please don't forget your pastor. Remember him with a good love offering and gift of appreciation. It will do him more good than you will ever know and he is worthy of your consideration. Somebody must start ---- why not you?
