Dear Friend of Missions:

Greetings from World Missions!

Juan and Shirley Ocasio were appointed as Assemblies of God missionaries to Eurasia in 2009, where they previously served as missionary associates. We are thankful for their faithful ministry to the people of Eurasia.

Juan and Shirley resigned from World Missions effective January 31, 2022, and were transferred to the Assemblies of God ministerial list. **Any money that comes in after this date will be used for the Ocasios' final missionary expenses and for priority needs in the Eurasia Region.** Thank you for supporting Juan and Shirley. We pray God's blessings upon their life and future ministry.

To reallocate your support, please consider making a monthly commitment to another missionary from your district:

Doug and Susan Sayers	Latin American Carribbean	225962
Stefanie Allen	Eurasia	296296
David and Lauren Perdan	Japan	2A7923

To transfer support, you can complete the enclosed commitment form with the new ministry name and account number and return it in the self-addressed envelope; then just write that name and account number on your next blue-and-white contribution form. If you prefer, you can set up a monthly commitment online at <giving.ag.org>. If you previously authorized a monthly credit card deduction for this missionary, you will need to contact Contributor Services to stop support or to reallocate it. Their toll-free number is 1-877-840-4800.

Thank you for your continued partnership to reach the world for Jesus Christ.

For the harvest,

Gil Rodriguez
Mobilization and Development Director
