District Missionary Secretary

"We Are Women In The Harvest"

(Tune: Take The Name of Jesus)

We are women in the harvest,
Gleaning for our Lord today;
We've been summoned to His service
And we dare not answer nay.

CHORUS:

Lord, we'll go, yes, we'll go
At your call to any shore
Or we'll stay, work and pray
In the field nearby our door.

Many perishing and hungry,
Comes the call from every land,
Still are waiting to be garnered
By some kind and loving hand.

We may never cross the ocean
For the Saviour we adore,
But we all can have our portion,
When the harvesting is o'er.

So when women Thou art needing,
Lord, to do some task for Thee,
Whether praying, clothing, feeding,
We'll perform it willingly.
