Our Friends of Essex:

It was a real joy being with you -
thanks for the opportunity. Your
\$15 offering will be applied on
our needed equipment. Thanks loads
for your help. May God continue to
bless you richly.

Yours in Him,

A. A. Hauer

Thank You!

Dear Brother & Sister Bogdan:

Being in your home was like being at home. Thanks for making me feel right at home. Thanks too for all your kindnesses to me. I hope someday I can get back for some fishing. Don't forget to write to us in Costa Rica, that we may send a doll from that country.

Please post the inside note on the church bulletin board. Thanks.

Yours in Christ,

Chuck & Violet Haun
