

PRESENTED TO

Name .....

Address .....

upon your entrance into the fellowship  
of the

HIGHWAY MISSION TABERNACLE

of

Philadelphia, Pa.

You are expected to read carefully the contents of this manual and to familiarize yourself with it.

May it remind you that you are now a partner in the burdens, joys, blessings, and service of this Assembly, and may you have an increasing knowledge of the Gospel of our Lord Jesus Christ; may you seek to share your experience with those with whom you are affiliated in Church fellowship, and with those to whom the joys of such fellowship are still unknown.
