

Child Evangelism

Through the able ministry of Sister Ruth Muir and her dedicated associates, hundreds upon hundreds of children are constantly being reached with the Gospel.

These children are not only those within our church, but include hundreds of children on the outside. Bible Story Hours are conducted in many homes throughout the city.

One unique ministry in the Mobile Kids Kru-sade, during which a station wagon equipped with loud speakers, drives through various areas in the city. The children love this approach and gladly accept the invitation to attend the Story Hours which are conveniently located in their neighborhoods.

During the year a Children's Church is held each Sunday in the Chapel of the Church Building, and the records show that many of the youngsters accept the Lord Jesus as their Saviour. Many precious souls are gleaned in this manner.
