

A Word of Greeting from Our Beloved Former Pastor Rev. Ernest S. Williams

It affords us pleasure to turn our thoughts toward Highway Tabernacle as it prepares to celebrate its Seventy-fifth Anniversary.

Some wish to know when and for how long I was pastor at Highway. Mrs. Williams and I began our ministry there June first, 1920. We left with very heavy hearts November first, 1930. Of all our ministry Highway proved to be our happiest and most fruitful and Highway will always be in our hearts.

The passing of time has greatly changed the membership: most of those then of mature years have now joined the Church Triumphant, but as we read through a recent Highway church bulletin we saw recorded the names of a number of these who are still there. Mrs. Williams, her sister Mrs. Julia Jenson and I send our greetings to each of these, and also to those who were younger, who contributed so much to the church in music, in faithfulness and in so many other ways. God bless your dear pastor and each of you.
