“Hitherto hath the Lord helped us”

1 SAMUEL 7: 12

Highway Home began its operation during the year 1951 under the sponsorship of Highway Tabernacle, Philadelphia, Pennsylvania, and is now being supported by gifts, pledges, and resident fees.

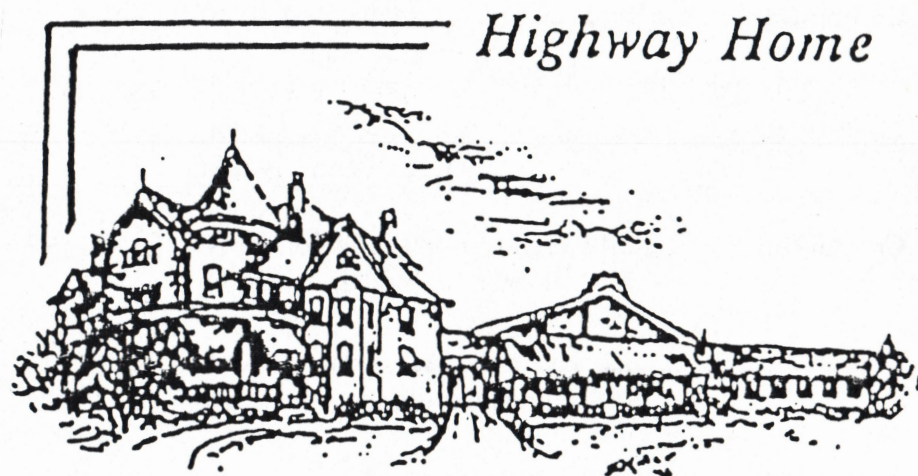

In April of 1970 the new wing was added and now we are again in need of additional facilities. In 1980 we became liscensed to meet the qualifications of the State of Pennsylvania.

This non-profit Christian Home is incorporated under the laws of the State of Pennsylvania for the express purpose of caring for the aging Children of God.

Highway Home situated on 2 1/2 acres of ground, was established to provide a place of serenity with the best in food and comfortable rooms for our aging family. The Highway Home is known for the loving care provided for its residents. A qualified staff provides assistance to each resident.

The Home is comprised of people from many church affiliations and each enjoy the atmosphere of friendliness and deep spiritual living. Highway Home is a very special place to live. Our doors are open to all who need the security of Christian love.
