Academic Affairs at NCBC included Faculty, Library, Admissions, Registrar, Financial Aid and the Athletic Department as well as teaching at least one class per semester. Dr. Meyer has been instrumental in the growth of NCBC during the past 21 years as the college tripled in size. During this time he was responsible for NCBC receiving regional accreditation as well as developing numerous overseas extension programs.

Dr. Meyer comes to us highly recommended: a man greatly respected for his Godly character, integrity, Biblical knowledge and training, administrative ability and academic credentials. We believe the future of VFCC is as bright as the promises of God and that

Dr. Meyer will provide strategic leadership as we launch into the 21st century. The Board of Trustees rejoices in the guidance of the Holy Spirit in this critical decision.

Dr. Meyer will complete his Spring semester responsibilities at NCBC while being on site at VFCC one to two weeks each month from January through May. Effective June 1, Dr. Meyer will assume the full time position of President of VFCC.

Please be advised that the inauguration of Dr. Meyer will take place during the weekend Baccalaureate Commencement activities on May 9-10.

We welcome Dr. Meyer and his wife Evie, to Valley Forge Christian College
