It was brought to the Board of Trustees attention by Pastor Bragg of the great need of the E.B.I. expansion fund as the offerings have dropped to a low of \$57.80 a quarter. A motion was made by Bro. Oscar Schmeel, and second by Allen Dron that the Pastor stress the need at least once a month also for the board to send \$75.00 a month to E.B.I.

A motion was made by Bro. Dron and second by Bro. Ambrose that we send \$25.00 for dues to the N.A.E. for 1954 as we have not sent in our dues so far this year.

The matter of the womens toilet came up again. Board of Trustees along with the Pastor feel something should be done at once as it is too much to ask some of our elderly women to climb all those steps to the second floor. Board to look into the matter of having a toilet put in back on Sunday School room.

The matter of helping our young people who have left Highway to go to preach or do missionary work came up for discussion and it was decided that we would ask Springfield to send them \$25.00 a month from the \$350.00 a year, that Highway sends in for Home Missions undesignated.
