

A meeting of the Board of Trustees was held on Tuesday evening April 12, 1955. Those present were Bros.: Tom. Griffith, Chas. McPherson, Elmer Day, Richard Ambrose, and Allan Dron. The meeting was opened by prayer led by Bro. Richard Ambrose.

Bro. Tom. Griffith reported that the cabinet for the Beginners' Dept. had been obtained, also that he was expecting more information sometime this week on the lighting. The Duplication Machine, it was found, would be too expensive to purchase. Therefore, the purchasing of this machine was to be dropped.

It was brought to our attention that the Congregation are complaining about so many announcements being made Sunday after Sunday. Bro. Elmer Day made a recommendation that the Elders be contacted about a Church Bulletin being used to replace the giving of these notices. Also, that a Committee be formed to look into this matter.

Bro. Tom. Griffith stated that the Elders have not been able to contact Bro. Garfield.

The lists for both those using the organ, that is, having keys, and that of the Church Property is still being compiled.

The Orders from the Fire Marshall who had inspected the building as to correcting certain conditions that existed, such as additional fire extinguishers have been corrected.

The sale of the Parsonage have been completed and that a check for the balance of the sale would be forthcoming.

Bro. Hawks, who was invited to come into the meeting gave a report of his work at Belgrade St. He stated that a Mr. Griffith, had made an offer to him that he use his place for the services.

We decided, in view of the present condition of being without a place to meet, that he contact this, Mr. Griffith, and see what arrangement could be made without committing our selves.

Bro. Waggoner, who also joined us in our meeting, was asked if he would write to Rev. Scott of Washington, D.C. about being able to buy one of the Army Hunts. This would be used for the work of Bro. Hawks.

As to Bro. Hawks financial needs we would see what could be done. to help him. until the case of Bro. Garfield is settled.

The House Committee was requested that they have someone fix the pianos in Sister Alexander's rooms

The meeting was adjourned.

Allan H. Dron, Secty.
