The question was brought up by the Board on the advisability of disposing of the church station wagon in view of the increasing operational expenses. Since the Old Folks Home in Hatfield were enjoyable considerable benefits thru their use of this vehicle, it was felt that the Board give the Old Folks Home an option to purchase this station wagon at a special price of \$925.00, but in the event of their refusal to accept this offer, the Board are to take immediate steps to sell at a figure approximately \$1000, which they felt they could easily get at current market prices.
