

November 16th, 1959

Meeting of the Board of Trustees with following members present; Griffith, Ambrose, Schmiel, Heintz, MacPherson and Simokat.

Meeting opened with word of prayer by Bro. Simokat followed by reading of the previous meeting minutes. In the absense of the Treasurer the financial report reading was dispensed with.

On motion duly made and seconded it was agreed to give the American Bible Society the sum of \$100 as Highway's annual contirbution, for 1959.

On motion made by Bro. MacPherson, seconded by Bro Heintz it was agreed to have a lampost and rail installed at the garage of the church parsonage. Bro. Ambrose agreed to contribute his services gratis for any wiring done on this work. (for stairs coming up to driveway)

On motion duly made and seconded it was agreed to have 500 special ~~Christmas~~ letters and envelopes printed to be sent out to members of Highway for their Christmas Building Fund Love Offering.

It was duly moved and seconded that we make a contribution \$50 for a half page add in the Lancer of Evangel College. \$50 for ad in the CUP Central Bible Inst. \$35.00 for ad in VISION of EBI.

On motion duly made and seconded, it was agreed to take up love offerings for Bro. Fierro, on the two last Sunday evenings of the special services, for helping him with his radio broadcasting programs. Sho uld the combined offerings at both these services fall short of \$600, the Board of Trustees would make up any difference to reach this amount. (Actual offerings totalled \$1000)

The Board of Trustees agreed to make a loan of the 6 risers (now not in use by the choir) to the Youth for Christ of Delaware County; these risers to be returned to Highway in the event we may need them again.

Respectfully submitted,

Frank Bennett
