

A meeting was called on Sunday April 21, 1963 with all members present. Bro. Ambrose made a motion and it was seconded by Bro. Schmiel that we have a padlock put on the gate on the 18th Street entrance, as the children of the neighborhood have been destroying the plants and shrubbery in the yard of the church. It was also suggested that we have a slot cut in the door for the mail on the corner of 18th and Springarden Streets on the 18th Street side.
